

```
#include "Arduino.h"
#include "BlinkLed.h"
void blink (int pin, int pause, int repeat) {
  pinMode(pin, OUTPUT);
  for (int x=0; x<=repeat; x++) {
    digitalWrite(pin, HIGH);
    delay(pause);
    digitalWrite(pin, LOW);
    delay(pause);
  }
}
```
